SOME BRIEF COMMENTS ON SHARIAH LAW
INTRODUCTION, WARNING, ADMONITION, AND EXHORTATION

[Back To Top](#)

“George Washington, first President of the United States of America said:

“ Religion and morality are the essential pillars of civil society.”

John Adams, second President of the United States said the following:

“We have no government armed with power capable of contending with human passions unbridled by morality and religion . . . Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other.”

John Jay, the first Chief-Justice of the U. S. Supreme Court stated:

“The Bible is the best of all books, for it is the word of God and teaches us the way to be happy in this world and in the next. Continue therefore to read it and to regulate your life by its precepts.”

President Harry S. Truman made the following statement on February 15, 1950:

“The fundamental basis of this nation’s laws was given to Moses on the Mount (Sinai)”.

Early in the history of the United States we fought a war with the Islamic Barbary Pirates who were raiding American ships, stealing their cargo, and making their crews slaves. This Islamic piracy originated in North Africa out of Tripoli, Libya and is the source of the words in the “*Marine Hymn*”: “From the Halls of Montezuma To the shores of Tripoli”. President Thomas Jefferson led that war. President Thomas Jefferson also purchased a Koran and studied it so that he would not be ignorant of the devices of Islam. President John Quincy Adams wrote 136 pages worth of articles dealing with the threat of Islam to America. Our Constitution and laws were not formulated by and for Muslims who seek to destroy our freedoms. We have a system of government whose very foundation is rooted in a system of justice and law taken from the pages of the King James Bible. The King James Bible and the Koran are the antithesis of each other. They cannot coexist together. If the Muslims have their way, they will radically alter the system of government that Western Civilizations have enjoyed for several hundred years now. The Muslims intend to replace the system of Judeo-Christian law that has guaranteed the freedoms of Americans since 1776. That is the objective of Shariah Law anywhere it is allowed to enter in. They establish enclaves where they enforce Shariah Law where local, state, and national laws are either circumvented or openly violated while spineless American political and religious leaders yield to their violations of the Constitutional rights of American citizens. Where Shariah Law exists there is no other law. Where Shariah Law exists there are NO

SOME BRIEF COMMENTS ON SHARIAH LAW

Constitutional rights. The enforcement of Shariah Law in enclaves such as those in Dearborn, Michigan and Irving, Texas violate the due process clause of the Fifth and Fourteenth Amendments to the United States Constitution. Simply put, the due process clause states that “We must examine the constitution itself, to see whether this process be in conflict with any of its provisions”. The phrase “This process” refers to any law that is to stand the test of constitutionality. With that legal definition, enforcing many of the tenets of Shariah Law to the exclusion of the provisions of the United States Constitution is by definition unconstitutional. The two most vile attacks against the Constitution by Shariah Law is its violent suppression of the freedom of religion and the freedom of speech. Those two are in-your-face violations of due process. What a Satanic paradox when a religious system such as Islam demands freedom to destroy the very system which guarantees its rights to exercise freedom of religion. The question Americans must answer, especially American Christians and Jews, is do you believe in absolute freedom of religion and freedom of speech to the exclusion of your very own religious freedom. Religious freedom that is demanded to the exclusion of someone else’s religious freedom is not religious freedom, but is instead Satanic tyranny. That is what Islam is all about. If Islam is allowed free exercise of their religion, religious, social, economic, and political freedom in America will be destroyed. At some point, America must make a choice. Otherwise, we will end up like the frog that is placed in a cold pot of water and placed on the stove on low heat. America does not realize it, but we are on low heat right now. It will not be long before our goose is cooked. Unfortunately, America is unable to make a choice that will save our democracy as it was originally formed because that choice must be a spiritually enlightened choice that America has not the Christian foundation for because she has forsaken the God of the Bible. We are near the end of the second generation of Americans which know not the LORD, nor yet the works which he has done for America. We are near the end of the second generation in America where every man is doing that which is right in his own eyes. We are near the end of the second generation of Americans that call evil good and good evil. The prophet Isaiah said in *Isaiah 5:20-25*:

²⁰ Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter! ²¹ Woe unto them that are wise in their own eyes, and prudent in their own sight! ²² Woe unto them that are mighty to drink wine, and men of strength to mingle strong drink: ²³ Which justify the wicked for reward, and take away the righteousness of the righteous from him! ²⁴ Therefore as the fire devoureth the stubble, and the flame consumeth the chaff, so their root shall be as rottenness, and their blossom shall go up as dust: because they have cast away the law of the LORD of hosts, and despised the word of the Holy One of Israel. ²⁵ Therefore is the anger of the LORD kindled against his people, and he hath stretched forth his hand against them, and hath smitten them: and the hills did tremble, and their carcases were torn in the midst of the streets. For all this his anger is not turned away, but his hand is stretched out still. *Isaiah 5:20-25*

There is rottenness in the land because we mock the law of the Lord and we despise the word of God. There is death in the pot. America has murdered over 70 million babies. On July 2, 2009

SOME BRIEF COMMENTS ON SHARIAH LAW

Supreme Court Justice Ruth Bader Ginsberg made the following statement: “Frankly I had thought that at that time Roe [1973, **Roe vs Wade**] was decided, there was concern about population growth and particularly growth in populations that we don't want to have too many of.” That statement came straight from the mind of Satan into the wicked heart of Ruth Bader Ginsberg and then came slithering forth from her lips. The question we have is: “Who are those we don’t want to many of”?!? God help us! We have devils sitting on the Supreme Court, in the halls of Congress, and in the White House who are possessed of the spirit of antichrist. We cannot expect to continue to live as a free nation when God hating spiritual death, sodomy, and baby murder reigns in the land. Righteousness exalteth a nation: but sin is a reproach to ANY people. The wicked shall be turned into hell, *and* all the nations that forget God. We have not just forgotten the Lord. We will not hear the law of the Lord and have demanded that the Holy One of Israel cease from before us. The Constitution of the United States was given by the providence of God to govern a holy and God loving people. It cannot be used to effectively govern a God hating, heathen nation. President John Adams nailed it with a pile driver when he said: “Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other”. The religious people that President Adams referred to are Bible believing Christians. Shariah Law is anathema to our political and religious freedom. What our American political and religious leaders are to deceived to see is that Islam and its Shariah Law is more a political system than a religion deserving equal protection under the Constitution. As such, they should be treated no different than the Communists were.

Spiritual death also reigns in most of our churches. We have professing cultural Christians who will not vote what should be Biblically based convictions. If you claim to be a Christian and then go out and vote for a politician who promotes baby murdering, sodomy, and the condemnation of Israel, then your heart is not right with God. We have churches that are full of unsaved professing Christians and those folks that are saved are nominal Christians at best. We have Christians that insist on feeding their flesh rather than feeding the church of the living God with the spiritual gifts that God has given to every believer. If America is to survive the onslaught of Islam and Shariah Law we MUST REPENT of our unsaved hell bound state and our shallow Christianity and turn to the Lord Jesus Christ for our individual and national salvation and survival.

Now, if a political leader in America made any of the above statements in 2016 that George Washington, John Adams, John Jay, and Harry Truman made, they would be taken out and tarred and feathered. They would be accused of trying to establish an “unconstitutional” state sponsored religion. In the antichrist United States legal system of 2016, freedom of religion is being interpreted as freedom from Bible believing Christianity. If you are a Christian political leader in 2016 and you dare to express your belief in the Lord Jesus Christ, you had better be prepared to be crucified on the cross of political correctness. Freedom of speech is the “right of rights”. Without freedom of speech, you can have no freedom of religion. The freedom of speech of Christians is being crucified on the “hate speech” cross. The very term “hate speech” is a violation of your right to freedom of speech. It presupposes a right to shut the mouths of those with whom you disagree. Hate speech laws are being applied worldwide to deny Christians their fundamental rights and to prevent them from preaching Bible doctrines that condemn the vileness and wickedness of this world. Hate speech laws create the ideal seed bed for the institution of Shariah Law and the rise of the Antichrist. What most Americans do not know is that since 1999 there have been resolutions introduced year-in and year-

SOME BRIEF COMMENTS ON SHARIAH LAW

out in the antichrist United Nations that promote anti “blasphemy?!?” laws whose stated purpose is to prevent the defamation of “religion”, particularly the religion of Islam. Guess who introduced that resolution? You got it! It was the member states of the Organization of Islamic Cooperation. This is the same mind set that sprouted the “hate speech” laws. By the way, Hillary Clinton has been intimately involved in this Islamic Charade by openly advocating for this undemocratic resolution. When hate speech laws become the law of the land, who will decide what is and is not hate speech? Will it be the sodomites who HATE Christian preaching against their sin? Will it be the Muslims who HATE the doctrines taught and preached by Christians. Will it be the pedophiles of NAMBLA who believe they have the right to sexually molest your children? Will it be the murdering abortionists, murdering mothers, and murdering fathers who believe they have a right to murder their babies? Think about it!

We now have American political leaders being sworn in on the vile Koran. The following quote from the Israel National News ought to get your attention:

A lot has changed since the days of President Truman when the Judeo-Christian roots of the American nation were still well understood. In recent years, the Islamic attempts to gain influence in the American political system have been focused not just on the legal system, but on supporting candidates who are supportive of Islam, mainly in the Democratic Party. Several individual politicians have been seeking to work their way through the system, exploiting democracy to advance the tyranny of Islam. One such individual is Democratic Congressman Keith Ellison, a convert to Islam, who was elected as the first Islamic Congressman from his home state of Minnesota. Ellison was sworn into his new position by then House Speaker Nancy Pelosi. The Washington Post reported (January 3, 2007) that Ellison would be sworn in, not on a Bible, but on a Koran, that had been owned once by Thomas Jefferson.

This departure from congressional norms raised many an eyebrow. Ellison claimed that Jefferson appreciated the diversity of America and that the Koran was part of that.

“It demonstrates that from the very beginning of our country, we had people who were visionary, who were religiously tolerant, who believed that knowledge and wisdom could be gleamed from any number of sources, including the Koran,” Ellison said in a telephone interview several days before the swearing in.

However, if Jefferson were alive today, he would have told a very different story. Jefferson had bought his Koran in order to learn and understand the Islamic ideology, hence the mentality, of the Barbary pirates, the Islamic terror group that was harassing American traders at sea. Under the presidencies of George Washington and John Adams, the terrorists had been demanding, as well as receiving, many millions of dollars in protection money from the United States government to allow safe passage for American ships.

SOME BRIEF COMMENTS ON SHARIAH LAW

Upon taking office, President Jefferson put an end to that cynical game, changing course and thereby saving the nation in its infancy. His knowledge of the Koran, which he had read specifically for this purpose (“Know thine enemy”), gave him the background that confirmed for him the nature of the beast. Lacking a navy, he decided to send the Marines to “the shores of Tripoli” to defeat the Barbary Pirates. Taken from the following web page:

END OF QUOTED CONTENT

There is not a Muslim on the face of this earth that can take the Congressional Oath of Office without lying through their Islamic teeth. Any Muslim who takes that oath is practicing an ultimate form of taqiyya. Here is that oath:

I do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter: So help me God.

We rest our case. Hello out there! Is anyone listening?? Islam and Shariah Law are on the march in the United States of America.

THE KEY TENETS OF SHARIAH LAW

[Back To Top](#)

The following three pages of material is condensed from pages 41-54 of “Shariah The Threat To America” downloaded from www.shariahthethreat.com ; 372 pages, copyright 2010.

The following are some of the most important — and, particularly for Western non-Muslims, deeply problematic — tenets of shariah, arranged in alphabetical order. The citations (in full in the linked report, edited here for length) for these findings are drawn from the Koran, schools of Islam and other recognized sources are offered as illustrative examples of the basis for such practices under shariah.

1. Abrogation (‘Al-mansukh wa al-nasikh’ in Arabic—the abrogated and the abrogating): Verses that come later in the Koran, chronologically, supersede, or abrogate, the earlier ones. In effect, this results in the more moderate

SOME BRIEF COMMENTS ON SHARIAH LAW

verses of the Meccan period being abrogated by the later, violent, Medinan period.

2. Adultery ('Zina' in Arabic): Unlawful intercourse is a capital crime under shariah, punishable by lashing and stoning to death.
3. Apostasy ('Irtidad' or 'Ridda' in Arabic): The established ruling of shariah is that apostates are to be killed wherever they may be found.
4. Democracy & Islam: Any system of man-made law is considered illicit under Islamic law, for whose adherents Allah already has provided the only law permitted, shariah. Islam and democracy can never co-exist in harmony. (Mention the American Laws for American Courts act – ALAC). ALAC has been passed in Tennessee, Louisiana, an Arizona. A State Constitutional amendment approved by the citizens of Oklahoma to outlaw shariah law was ruled unconstitutional by a Federal Court because it specifically ruled out shariah law.
5. Female Genital Mutilation.
6. Gender Inequality: Shariah explicitly relegates women to a status inferior to men.
 - Testimony of a woman before a judge is worth half that of a man.
 - Women are to receive just one half the inheritance of a male.
 - Muslim men are given permission by Allah in the Koran to beat their wives.
 - Muslim men are given permission by Allah to commit marital rape, as they please.
 - Muslim men are permitted to marry up to four wives and to keep concubines in any number.
 - Muslim women may marry only one Muslim man and are forbidden from marrying a non-Muslim.
 - A woman may not travel outside the home without the permission of her male guardian and must be accompanied by a male family member if she does so.
 - Under shariah, to bring a claim of rape, a Muslim woman must present four male Muslim witnesses in good standing. Islam thus places the burden of avoiding illicit sexual encounters entirely on the woman. In effect, under shariah, women who bring a claim of rape without being able to

SOME BRIEF COMMENTS ON SHARIAH LAW

- produce the requisite four male Muslim witnesses are admitting to having had illicit sex. If she or the man is married, this amounts to an admission of adultery.
- A Muslim woman who divorces and remarries loses custody of children from a prior marriage.
7. 'Honor' Killing (a.k.a. Muslim family executions): A Muslim parent faces no legal penalty under Islamic law for killing his child or grandchild.
 8. Hudud Punishments: The plural of hadd, is "a fixed penalty prescribed as a right of Allah. Because hudud penalties belong to Allah, Islamic law does not permit them to be waived or commuted."
 - "Shariah stipulates these punishments and methods of execution such as amputation, crucifixion, flogging, and stoning, for offenses such as adultery, homosexuality, killing without right, theft, and 'spreading mischief in the land' because these punishments were mandated by the Qur'an or Sunnah." (Islamic Hudood Laws in Pakistan, Edn 1996, 5.)
 9. Islamic Supremacism: belief that Islam is superior to every other culture, faith, government, and society and that it is ordained by Allah to conquer and dominate them.
 10. Jew Hatred: Anti-Semitism is intrinsic to shariah and is based on the genocidal behavior of Mohammed himself in wiping out the entire Jewish population of the Arabian Peninsula.
 11. Jihad: Jihad is warfare to spread Islam.
 12. Lying/Taqiyya: It is permissible for a Muslim to lie, especially to non-Muslims, to safeguard himself personally or to protect Islam.
 13. Slander/Blasphemy: In shariah, slander means anything that might offend a Muslim.
 14. Underage Marriage: Islamic doctrine permits the marriage of pre-pubescent girls. There is no minimum age for a marriage contract and consummation may take place when the girl is age eight or nine.
 15. Zakat: the obligation for Muslims to pay zakat arises out of Koran Verse 9:60 and is one of the Five Pillars of Islam. Zakat may be given only to Muslims,

SOME BRIEF COMMENTS ON SHARIAH LAW

never to non-Muslims. What amounts to a mandatory tax is required to be given to those engaged in jihad which is among the authorized recipients.

- According to shariah, there are eight categories of recipients for Zakat: The poor; Those short of money; Zakat workers (those whose job it is to collect the zakat); Those whose hearts are to be reconciled; Those purchasing their freedom; Those in debt; Those fighting for Allah (Jihad); Travelers needing money ('Umdat al-Salik, h8.7-h8.18)
- "It is not permissible to give Zakat to a non-Muslim." ('Umdat al-Salik, h8.24)

END OF QUOTED CONTENT

Take a look at the list that I have just quoted and you will see that every one of these shariah laws violate the rights guaranteed to Americans under the United States Constitution. It is incredible that the Muslims would come into our country and demand that our laws conform to the system of shariah law that they may have the "freedom" to practice their Satanic religion. The major problem for us is this: If they are allowed their "freedom of religion" then no one, but them will have freedom to practice their religion. The other issue is this: there will be no right guaranteed under the United States Constitution that cannot abrogated, or suspended, through shariah law. Under shariah law, the individual sovereignty of nations cannot exist. Under shariah law, individual rights cannot exist. The systems of Democracy and Islam cannot exist side by side. What all this boils down to is this: it is not a religious freedom issue, but is instead an issue of the very existence of the American nation and its system of law and freedom. I am sure that you understand the implications of that statement. There is a ballot initiative on many state ballots called the "American Laws For American Courts (ALAC)" that has passed in several states that prohibits the use of Shariah law in American courts. The states that have passed this legislation include Alabama, Tennessee, Louisiana, Kansas, North Carolina, South Dakota, and Arizona with the antichrist US Federal Court system declaring Oklahoma's law unconstitutional. There are at least twenty-five other states considering this legislation. Now lets consider some specific points of conflict between Shariah Law and the Constitution of the United States of America.

SOME BRIEF COMMENTS ON SHARIAH LAW

SHARIAH LAW VERSUS THE CONSTITUTION

[Back To Top](#)

Article VI: The Constitution is the supreme law of the land

- ☺ **Constitution: Article VI:** “This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby”
- ☹ **Shariah:** “The source of legal rulings for all acts of those who are morally responsible is Allah.” (a1.1, Umdat al-salik or The Reliance of the Traveller, commonly accepted work of Shariah jurisprudence); “There is only one law which ought to be followed, and that is the Sharia.” (Seyed Qutb); “Islam wishes to destroy all states and governments anywhere on the face of the earth which are opposed to the ideology and program of Islam regardless of the country or the nation which rules it. The purpose of Islam is to set up a State on the basis of its own ideology and program.” (Seyed Abul A’ala Maududi)

First Amendment: Freedom of religion

- ☺ **Constitution:** First Amendment: “Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof“
- ☹ **Shariah:** “Those who reject Islam must be killed. If they turn back (from Islam), take hold of them and kill them wherever you find them.” Quran 4:89 ; “Whoever changed his [Islamic] religion, then kill him” Sahih al-Bukhari, 9:84:57. In historic and modern Shariah states, Shariah law enforces *dhimmi* status (second-class citizen, apartheid-type laws) on non-Muslims, prohibiting them from observing their religious practices publicly, building or repairing churches, raising their voices during prayer or ringing church bells; if dhimmi laws are violated in the Shariah State, penalties are those used for prisoners of war: death, slavery, release or ransom.(o9.14, o11.0-o11.11, Umdat al-salik).

First Amendment: Freedom of speech

- ☺ **Constitution:** First Amendment: Congress shall not abridge “the freedom of speech.”

SOME BRIEF COMMENTS ON SHARIAH LAW

- ☹ **Shariah:** Speech defaming Islam or Muhammad is considered “blasphemy” and is punishable by death or imprisonment.

First Amendment: Freedom to dissent

- ☺ **Constitution:** First Amendment: “Congress cannot take away the right of the people “to petition the Government for a redress of grievances.”
- ☹ **Shariah:** Non-Muslims are not to harbor any hostility toward the Islamic state or give comfort to those who disagree with Islamic government.

Second Amendment: Right to self-defense

- ☺ **Constitution:** Second Amendment: “The right of the people to keep and bear arms shall not be infringed.”
- ☹ **Shariah:** Under historic and modern *dhimmi* laws, non-Muslims cannot possess swords, firearms or weapons of any kind.

Fifth, Sixth and Seventh Amendments: Right to due process and fair trial

- ☺ **Constitution:** Fifth Amendment: “no person shall be held to answer for a capital or otherwise infamous crime... without due process of law.” Sixth Amendment: guarantees a “public trial by an impartial jury.” Seventh Amendment: “the right of trial by jury shall be preserved.”
- ☹ **Shariah:** Hadith Sahih al-Bukhari: Muhammad said, “No Muslim should be killed for killing a Kafir (infidel).” Non-Muslims are prohibited from testifying against Muslims. A woman’s testimony is equal to half of a man’s.

Eighth Amendment: No cruel and unusual punishment

- ☺ **Constitution:** Eighth Amendment: “nor cruel and unusual punishments inflicted.”
- ☹ **Shariah:** Under Shariah punishments are barbaric: “Cut off the hands of thieves, whether they are male or female, as punishment for what they have done – a deterrent from Allah.” Quran 5:38; A raped woman is punished:”The woman and the man

SOME BRIEF COMMENTS ON SHARIAH LAW

guilty of adultery or fornication – flog each of them with a hundred stripes” (Sura 24:2).

Fourteenth Amendment: Right to equal protection and due process

- ☺ **Constitution:** Fourteenth Amendment: “No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws.”
- ☹ **Shariah:** Under *dhimmi* laws enforced in modern Shariah states, Jews, Christians and other non-Muslims are not equal to Muslims before the law. Under Shariah law, women, girls, apostates, homosexuals and “blasphemers” are all denied equality under the law.
[The information contained in the just completed section on Shariah Law Versus The Constitution was condensed from information downloaded from www.shariahthethreat.com . It is contained in the pages of the book “*Shariah: The Threat to America*”]

THE SOURCE FOR SHARIAH LAW

[Back To Top](#)

All of the following material on Shariah Law is quoted from the 813 page book with the extended title: “Every Muslim and Judge’s Jurisprudence Handbook: Formerly: The Reliance of the Traveller (Ahmad ibn Naqib al Misri) A Classical Manual of Islamic Sacred Law translated by Noah Ha Mim Keller (1991) THE TRAVELER ON LIFE’S HIGHWAY TO THE CREATOR: 1998 Judicial sections in 353 chapters in 28 books”. This book has the short title “The Reliance Of The Traveller”. This particular book is considered to be the English translation of Islamic Shariah Law. In the following quotes from Shariah Law, the obvious misspellings, grammatical errors, and omissions of words are in the original document. We have checked the original document to verify the errors.

The following excerpts should serve as a warning to lazy Christians who claim to be Bible believing Christians. We would not expect this material to be alarming to the average spineless American “Christian” who is an unbelieving, apostate, heretic that says Christians and Muslims worship the same God. That description would apply to most American Bible teachers, pastors, and preachers who stand before their classes and congregations in the year 2016. That may sound harsh, but the truth is always hard to swallow for habitual liars and deceivers. 2 *Timothy* 3:12-13 says:

¹² Yea, and all that will live godly in Christ Jesus shall suffer persecution. ¹³ But evil men and seducers shall wax worse and worse, deceiving, and being deceived. 2

SOME BRIEF COMMENTS ON SHARIAH LAW

Timothy 3:12-13

Nominal cultural Christians in America and their religious and political leaders have been sent strong delusion and they HAVE believed THE LIE.

THE BLOATED EGO OF MUHAMMAD, THE ISLAMIC LITTLE “g” god MANIFESTED IN SINFUL FLESH

[**Back To Top**](#)

The Antichrist could very well be Satan manifested in an Islamic Imam. What follows in the pages below are several statements taken from the pages of Shariah Law. Some of these statements show an unfeigned worship of Muhammad and put him in the place of God. As we proceed through these statements, our first goal will be to address them from a Biblical viewpoint and then from a United States Constitutional viewpoint where appropriate. The quotes that immediately follow in the next several paragraphs are about Muhammad and purport to be spoken by Muhammad and they appear in the pages of Shariah Law:

SELF DESCRIPTION: The Prophet, praise and peace be upon him, said: “The prophets were shown to me. I saw Moses, peace be upon him, he had a slender body, like a man from the tribe of Shanuah. I saw Jesus, peace be upon him, from all those I have seen, he resembles Urwah, the son of Masood. I saw Abraham, peace be upon him, and from all those I have seen I most resemble him.” (Page 107 of the PDF document)

This is said to be a self description by Muhammad. These statements are outright lies. There are only two instances where dead Old Testament mortal men have been seen by mortal men. Peter, James, and John saw Moses and Elijah on the Mount of Transfiguration **when in the presence of the Lord Jesus Christ**. It was a supernatural, divine miracle. These accounts are recorded in the Gospels in *Matthew 17:1-8*, *Mark 9:2-8*, and *Luke 9:28-36*. The only other such event was when Saul saw Samuel in *1 Samuel 28:7-19* and that was another supernatural miracle wrought by God. The Hadith(s) have numerous accounts in their pages where Muhammad talked with Old Testament saints. The only problem is that they were not actual Old Testament saints but were instead evil spirits conjured up by Muhammad to promote himself over other men. The following two quotes will show much about Muhammad’s lack of character:

Although he was absolutely sinless and promised the highest rank in Paradise, a rank in which no other prophet has attained, it did not prevent him from offering a magnitude of voluntary prayers, which is an indication of our own need to increase and maintain the number of voluntary prayers we offer. (Page 112 of the PDF document)

SOME BRIEF COMMENTS ON SHARIAH LAW

It has been reported that he was a little taller than the average man, however, when he was amongst tall people his height was miraculously altered so that he became taller than those in his company.

What an atrocious lie! There is no loss of self-esteem there. In this blasphemous statement from Shariah Law, Muhammad is exalted above every prophet that ever lived. He has preeminence in heaven. The blasphemous assertion that he was sinless puts him in the place of God and in fact makes him God since ALL MEN have sinned and come short of the glory of God (Romans 3:23). So, we are to believe that Muhammad was an ongoing shrinking and expanding miracle that felt the need to be exalted above those in his presence? This is nothing more than an outrageous fable that shows the vain imagination of Muhammad. This tells us that Muhammad had a haughty spirit that desired to have the preeminence among men just as Diotrephes in 3 John 9. God has a way of bringing the lofty down. *Proverbs 16:18, Isaiah 2:17, Isaiah 45:21-23, Romans 14:11, and Philippians 2:9-11* bring the following news to Muhammad and his followers:

¹⁸ Pride goeth before destruction, and an haughty spirit before a fall. *Proverbs 16:18*

¹⁷ And the loftiness of man shall be bowed down, and the haughtiness of men shall be made low: and the LORD alone shall be exalted in that day. *Isaiah 2:17*

²¹ Tell ye, and bring them near; yea, let them take counsel together: who hath declared this from ancient time? who hath told it from that time? have not I the LORD? and there is no God else beside me; a just God and a Saviour; there is none beside me. ²² Look unto me, and be ye saved, all the ends of the earth: for I am God, and there is none else. ²³ I have sworn by myself, the word is gone out of my mouth in righteousness, and shall not return, That unto me every knee shall bow, every tongue shall swear. *Isaiah 45:21-23*

¹¹ For it is written, As I live, saith the Lord, every knee shall bow to me, and every tongue shall confess to God. *Romans 14:11*

⁹ Wherefore God also hath highly exalted him, and given him a name which is above every name: ¹⁰ That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; ¹¹ And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father. *Philippians 2:9-11*

In the day of judgment, it will be the Lord Jesus Christ who is exalted and the Satanic, egotistical Muhammad who will be brought down to the sides of the pit of hell. Let us continue on. The following quote is an extremely contradictory statement that does not line up with the previous statement that Muhammad was sinless:

Our beloved Prophet, praise and peace be upon him, would offer such long prayers

SOME BRIEF COMMENTS ON SHARIAH LAW

that his legs became swollen. One of his Companions asked him why he offered such lengthy prayers when Allah had forgiven him all his sins. The Prophet replied: “Should I not be a grateful worshipper?”

So, was Muhammad sinless or not? We can tell you for a fact that Muhammad was NOT sinless because ALL have sinned and come short of the glory of God. Here is further Bible commentary on whether Muhammad was sinless from *1 John 1:10*:

¹⁰ If we say that we have not sinned, we make him a liar, and his word is not in us. *1 John 1:10*

Who do you think that we think is the liar? Without a doubt we retort it is Muhammad and his wicked consorts and cohorts. They make wicked poetry together. As to Muhammad’s long prayers the Bible says in *Matthew 6:5-7*, *Matthew 23:14*, and *Luke 20:45-47*:

⁵ And when thou prayest, thou shalt not be as the hypocrites are: for they love to pray standing in the synagogues and in the corners of the streets, that they may be seen of men. Verily I say unto you, They have their reward. ⁶ But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly. ⁷ **But when ye pray, use not vain repetitions, as the heathen do: for they think that they shall be heard for their much speaking.** *Matthew 6:5-7*

¹⁴ Woe unto you, scribes and Pharisees, hypocrites! for ye devour widows’ houses, and for a pretence make long prayer: therefore ye shall receive the greater damnation. *Matthew 23:14*

⁴⁵ Then in the audience of all the people he said unto his disciples, ⁴⁶ Beware of the scribes, which desire to walk in long robes, and love greetings in the markets, and the highest seats in the synagogues, and the chief rooms at feasts; ⁴⁷ Which devour widows’ houses, and for a shew make long prayers: the same shall receive greater damnation. *Luke 20:45-47*

Matthew 6:7 says that those who pray vain repetitious prayers are heathens. The Muslims have prayer beads just as do the Roman Catholics and the Hindus. There are 87 pages of Shariah Law governing prayer that is some of the most ungodly frivolous trash you have ever heard. By the time the Muslims comply with the wicked regulations for prayer, he who prays is nothing more than a whited sepulchre full of dead mens bones. Not only is Muhammad extolled for his much prayer, his physical appearance and body odor are proudly exalted as the following two quotes illustrate:

SOME BRIEF COMMENTS ON SHARIAH LAW

The Messenger of Allah, praise and peace be upon him, was blessed with a natural fragrance quite unlike any other in the world. It has been described as being nicer than either amber or musk. Such was its sweetness that when he perspired, his wives collected his perspiration and used it to perfume themselves.

All those blessed to see Prophet Muhammad, praise and peace be upon him, could only describe his noble, blessed features by saying: "I have not seen anyone like the Messenger of Allah, praise and peace be upon him, neither before nor after him." Therefore, it is impossible for us in this day and age to comprehend the magnitude of his beauty, either physically or inwardly.

Wow! What odoriferous emanations! In other words, he just does not stink like the rest of us human beings! Now, let's get this straight. Muhammad was so great that his body fluids did not even stink! Amazing! According to these two statements, Muhammad was much esteemed and had great beauty that was much to be desired. Contrast that to the lowly Lord Jesus Christ from *Isaiah 53:1-3* where it is written:

¹ Who hath believed our report? and to whom is the arm of the LORD revealed? ² For he shall grow up before him as a tender plant, and as a root out of a dry ground: he hath no form nor comeliness; and when we shall see him, there is no beauty that we should desire him. ³ He is despised and rejected of men; a man of sorrows, and acquainted with grief: and we hid as it were our faces from him; he was despised, and we esteemed him not. *Isaiah 53:1-3*

What a contrast between the devil possessed Muhammad who was given to the spirit of antichrist and the pure and perfect Lord Jesus Christ who was given the Spirit of God without measure. Now, let's look at some details on jihad from Shariah Law.

SOME DETAILS ON JIHAD FROM SHARIAH LAW

[Back To Top](#)

Again, in the following quotes from Shariah Law, the obvious misspellings, grammatical errors, and omissions of words are in the original document. We have checked the original document to verify the errors. Islamic jihad is rooted in the wounded pride of the false prophet Muhammad. Note the following quotes from Shariah Law concerning the Islamic practice of Jihad:

Chapter 9.9.0: JIHAD

Jihad means to war against non-Muslims, and is derived from the word "mujahada" signifying warfare to establish the religion, and it is the lesser jihad. The greater jihad, it is spiritual warfare against the lower self (nafs), which is why the Prophet -

SOME BRIEF COMMENTS ON SHARIAH LAW

may Allah venerate him and give him peace - said as he was returning from jihad: "We have returned from the lesser jihad to the greater jihad."

The scriptural basis for jihad, prior to scholarly consensus (7.7) is found in such Koranic verses as:

1. "(Offensive) fighting is obligatory for you" (Koran 2.216);
2. "And fight against the unbelievers all together as they themselves fight against you all together" (Koran 9.36); and such Prophetic quotations (Ahadiths) as the one related by Bukhari and Muslim that the Prophet - may Allah venerate him and give him peace - said: "I have been commanded to fight people until they bear witness that there is no god except Allah and that Muhammad is the Messenger of Allah, and perform the prayer, and pay the obligatory charity (zakat). If they say it, they have saved their blood and possessions from me, except for the rights of Islam over them. And their final reckoning is with Allah"; and the Prophetic quotation (Ahadith) reported by Muslim: "To go forth in the morning or evening to fight in the path of Allah is better than the whole world and everything in it."

From 9.9.1 When able-bodied men are called upon to engage in jihad - regardless whether or not it actually occurs - do not participate each and everyone who is aware that it is obligatory to take part in the jihad is guilt of sin.

9.9.8 Objectives of Jihad

The caliph (9.25) makes war upon Jews, Christians (Nazarenes), and Zoroastrians provided he has first invited them to enter Islam in faith and practice, and if they will not, then invite them to enter the social order of Islam by paying the non-Muslim poll tax (jizya, def: 9.11.4). Their circumstances remain as such until they either become covert to Islam or continue paying the non-Muslim poll-tax. Allah, the Most High says: "Fight those who neither believe in Allah nor the Last Day, who do not forbid what Allah and His Messenger have forbidden, and do not embrace the religion of the truth, being among those who have been given the Book, until they pay tribute out of hand and have been humiliated. (Koran 9.29). After the final coming of Prophet Jesus, nothing but Islam will be accepted from them, that is because the taking of the poll tax is only effective until Jesus' descent - peace be upon him, and this has been Divinely revealed in the Law of Prophet Muhammad - may Allah venerate him and give him peace. The final coming of Jesus does not constitute a separate Divinely revealed law, he will rule with the law of Prophet Muhammad - may Allah venerate him and give him peace - because he said: "Authority among the Children of Israel was exercised by prophets. When a prophet died, he was succeeded by another prophet. I will not be succeeded by a prophet, but there will be caliphs after me, a large number of them." He asked, "I am the last, there will be no prophet after me," this does not contradict the final coming of Jesus - peace be upon him - since he will not rule according to the Evangel, but as a follower of our Prophet - may Allah venerate him and give him peace.

SOME BRIEF COMMENTS ON SHARIAH LAW

Amazing! The closing statement in this quote calls upon the god of Islam to worship (venerate) Muhammad. What we see in these jihad laws is the promotion of a constant state of war between Islam and all those who are not Muslims. It results in a never ending blood letting until all the Jews, Christians, and pagans are dead. Not to fear though, when Satan is through using them to kill Jews, Christians, and pagans he will turn them on each other so they can slit the throats of their fellow peaceful Muslims. Therefore, there is never ending death in the pot both spiritually and physically.

What follows is the Shariah Law provision that keeps Christians and Jews in eternal economic bondage to these Islamic devils:

9.9.9 Regarding others:

The caliph fights all other peoples until they become Muslim because they are not a people with a Book, nor honored as such, and are not permitted to settle with paying the poll tax (jizya). However, according to the Hanafi school, peoples of all other religions, even idol worshippers, are permitted to live under the protection of the Islamic state if they either become Muslim or agree to pay the poll tax, the sole exceptions to which are apostates from Islam and idol worshippers who are Arabs, neither of whom has any choice but becoming Muslim (al-Hidaya sharh Bidaya al-mubtadi' (y-21), 6.48-49).

The following provision allows for the wholesale rape of the women that the Muslims capture:

9.9.13 Women and children captives

When a child or a woman is taken captive, they become slaves by the fact of capture, and the woman's previous marriage is immediately annulled.

A routine practice of the Muslims is to rape the women and girls they capture.

As is proved from the following provision from Shariah Law, no peace treaty with a Muslim is worth the paper it is written on:

From 9.9.16: If the Muslims are weak, a truce may be made for ten years if necessary, because as Abu Dawood reported, the Prophet - may Allah venerate him and give him peace - made a truce with the Koraysh for that length of time. It is not permissible to stipulate longer than that, except through the making of new truces that do not exceed ten years.

The Israelis have first hand experience with the treachery of the Muslims. They have been the victims of five wars at the hands of these warmongering Muslims. Any peace treaty with a Muslim is a pretext and a preparation for war. The so-called "Road Map To Peace" that was pushed in the Middle East by deceived American and European political leaders and "diplomats" for over twenty years now is a farce that has no equal in diplomatic history. The Muslims have no intention of making peace with Israel and the Jews. Any treaty that attempts to impose peace on Israel is a death

SOME BRIEF COMMENTS ON SHARIAH LAW

warrant from the worldly prospective for Israel and the Jews. It is sheer and utter insanity. It has been well said that insanity is doing the same thing over and over and expecting different results. Now, lets turn to some general tenets of Islamic Shariah Law.

SOME GENERAL TENETS OF SHARIAH LAW

[Back To Top](#)

In all the following quotes, the obvious misspellings, grammatical errors, and omissions of words are in the original document. We checked the original document to verify the errors.

Chapter 9.1: The rulings in this book on criminal justice apply only to Muslims living in an Islamic country, or if Muslims succeeded to incorporate the Islamic ruling into the political system outside Islamic country. It is presented to illustrate the value of the Islamic judicial system to western courts and magistrates, to invite them to adopt Islamic fair ruling, also to educate and inform Muslims of the Islamic serious consequences and penalties for crimes, that they are obligated to upholding any time and place regardless if the place is ruled by Islam or not.

This particular statement is contradictory to what the actual practice is where the Muslims are in the minority in Western nations today. They have proved over and over that there is no way they are going to abide by the laws of the societies in which they reside. In fact, they do whatever they can to subvert the legal system of their host country by establishing violent Muslim enclaves where law enforcement dare not enter. When law enforcement attempts to enforce the law of the land they are threatened with violence and hypocritical claims of religious discrimination. Logic and common sense would seem to dictate to western societies that they cannot allow an extremely political religious system such as Islam to exercise an absolute “right” to freedom of religion when the exercise of that so-called right leads to the violent suppression of ALL other religions and the destruction of that democratic society that allowed the Muslims that freedom in the first place. That is not soul liberty. That is religious tyranny. Religion is not Bible believing Christianity.

Chapter 9.1: “The blood of a Muslim man who testifies that there is no god except Allah and that I am the Messenger of Allah is not lawful to shed unless he is one of three. An adulterer, someone killed in retaliation for the killing of another, or someone who abandons his religion and the Muslim nation.”

According to the Koran surah 002.256: “There is no compulsion in religion”. Yet, this particular provision of Shariah Law is contradictory to that surah because it says to kill the person who renounces Islam. Surah 002:256 was abrogated when Muhammad’s Satanic necessity for revenge became the mother of inventing new revelation from the capricious, unjust, and unholy god of Islam known as Allah. The Satanic principle of abrogation is how these Islamic devils deal with mistakes and contradictions in the Koran. In yet another display of Islamic justice note the following:

SOME BRIEF COMMENTS ON SHARIAH LAW

9.1.2 Those not subject to retaliation: 2. A Muslim for killing a non-Muslim;

What this is saying is that a Muslim cannot receive the death penalty for murdering a non-Muslim. Take further note of the following principles of equal (!?) justice under Islamic law:

9.4.9: For the rulings below, multiply the fraction named by the compensation appropriate to the death or injury according to the offender's intention and other relevant circumstances that determine the amount of a male Muslim's compensation (9.4.2-6 and 9.4.13). The compensation for the death or injury of a woman is one-half the compensation paid for a man. The compensation paid for a Jew or Christian is one-third of the compensation paid for a Muslim. Whereas, the compensation paid of a Zoroastrian is one fifteenth of that of a Muslim.

9.4.12 Time in which lesser indemnities may be paid When the compensation due is less than a full compensation which means that which is due for a Muslim male (9.4.2-6)), as when it is for a wound, miscarriage, female, or a Jewish or Christian subject of the Islamic state

9.4.17 Compensation for killing non-Muslims at war with Muslims, apostates etc: Compensation is neither obligatory for killing a non-Muslim at war with Muslims(harbi), nor someone who has left Islam

9.8.1 Whosoever voluntarily leaves Islam is killed. When a person who has reached puberty and is sane voluntarily apostatizes from Islam, he deserves to be killed.

9.8.2 Apostates must first be asked to return to Islam. In such a case, it is obligatory for the caliph or his representative to ask him to repent and return to Islam. If he does, it is accepted from him, but if he refuses, he is killed immediately.

It is a sad fact that the Muslims can state that they behave no differently than so-called Christians do when they persecuted, tortured, and murdered Jews and Bible believing Christians. The Roman Catholics and Protestants have a bloody history to account for when you look at what they have done to those who disagreed with them and refused to be a part of their Babylonian religious system. That blood thirsty history includes imprisonment, burning at the stake, beheading, torturing, murdering babies, disemboweling pregnant women, chaining Bible believers together and throwing them into rivers to drown, and so forth. The murder and torture of those who do not believe as you do is one of the distinguishing characteristics of all false religious systems. Here are some further examples of equal(!?) justice and religious freedom under Shariah law:

9.11.5 Rules for non-Muslim subjects

There is an obligation upon Non-Muslim subjects to comply with Islamic rules that pertain to the safety and compensation of life, reputation, and property.

SOME BRIEF COMMENTS ON SHARIAH LAW

In addition, they:

1. are penalized for committing adultery or theft, though not for drunkenness;
2. are distinguished from Muslims in dress, wearing a wide cloth belt (zunnar);
3. are not greeted with “as-Salamu ‘alaykum”;
4. must keep to the side of the street;
5. may not build higher than or as high as the Muslim buildings, though if they acquire a high rise home, it is not razed;
6. are forbidden to openly display wine or pork, to ring church bells or display crucifixes, recite the Torah or Evangel aloud, or make public display of their funerals and feast-days;
7. and are forbidden to build new churches.

9.11.6 Non-Muslims forbidden to reside in the Hijaz

Non-Muslims are forbidden to reside in the Hijaz, meaning the area and towns around Mecca, Medina, and Yamama unless the caliph permits them to enter for something they need in which case the duration may not be for more than three days.

9.11.7 Non-Muslims may not enter Mecca, mosques, etc.

A non-Muslim may not enter the Sacred Precinct of Mecca (Haram) under any circumstances, neither may they enter any other mosque without permission and Muslims may not enter churches without the permission of non-Muslims.

You will not find a Baptist church in Iran or Saudi Arabia. Nor will you find a Bible publicly carried in Iran or Saudi Arabia. Continuing on:

Chapter 9.14.0: THE PENALTY FOR THEFT

9.14.1 Penalty

A person’s right hand is amputated, whether he is a Muslim, non-Muslim subject of the Islamic state..... If a person steals a second time, his left foot is amputated; if a third time, then his left hand, and if he steals again, then his right foot. If he steals a fifth time, he is disciplined (9.17).

10.2.2 The Prophet - may Allah venerate him and give him peace - said,

“When two Muslims meet with drawn swords, both the slayer and the slain go to Hell.” Someone said, “O Messenger of Allah, this is for the slayer. But why the slain?” And he replied, “Because he meant to kill the other.”

From 10.4.0: 3. ““What has caused you to be thrust into the Scorching (Fire)? They will reply, ‘We were not among those who prayed.’” (Koran 74.42-43).

From 10.10.1: 3. “Islam is based on five things, bearing witness that there is no god except Allah and that Muhammad is the Messenger of Allah, performing the prayer,

SOME BRIEF COMMENTS ON SHARIAH LAW

paying the obligatory charity, fasting the month of Ramadan, and the pilgrimage to the House (Kaaba). “

10.17.3 The Prophet - may Allah venerate him and give him peace – said,

1. “Kill the one who sodomizes and the one who lets it be done to him.”

2. “May Allah curse him who does what Lot’s people did.”

In the Koran, the Hadith(s), and Shariah Law Ayesha (Aisha), the wife of Muhammad, is venerated just as Muhammad is. Note the following:

10.18.3 As for someone who falsely accuses Lady Ayesha, Mother of the Believers, may Allah be pleased with her, after the Revelation declaring her innocence had been sent down (Koran 24.11-12), such a person is an unbeliever(kafir) and is denying the Koran and must be killed.

Here Lady Ayesha is the Muslim equivalent of the Roman Catholic Mary. The Roman Catholic Mary is the queen of heaven who is the consort of Baal. Ayesha is the consort of the devil possessed Muhammad.

10.21.1 Allah, the Most High says,”As for the man or woman who is guilty of theft, recompense them by cutting off their hands for their crimes. That is the punishment from Allah. Allah is Mighty, Wise.” (Koran 5.38).

10.22.1 Allah, the Most High says,”The recompense of those who make war against Allah and His Messenger and spread corruption in the land is that they be killed or crucified, or have their hand and foot cut off on opposite sides, or be expelled from the land. For them is shame in this world and a great punishment in the Everlasting life.” (Koran 5.33).

10.25.1 Allah, the Most High says,”... And do not kill yourselves. Allah is the Most Merciful to you. But whosoever does that in transgression and wrongfully We shall roast him in the Fire. That is an easy matter for Allah.” (Koran 4.29-30).

10.25.2 The Prophet - may Allah venerate him and give him peace – said,

1. “Of those before you, there was once a wounded man who could not bear it, so he took a knife and cut his arm, and bled to death. Allah, the Most High said, ‘My worshipper has taken his life before I have, so I forbid him Paradise.’”

2. “Whosoever kills himself with a knife will abide forever in the Fire of Hell, and perpetually stab himself in his belly with it. Whosoever kills himself with poison will abide forever in the Fire of Hell, poison in hand, perpetually drinking of it.”

SOME BRIEF COMMENTS ON SHARIAH LAW

Chapter 10.28.0: Masculine Women and Effeminate Men

10.28.1 The Prophet - may Allah venerate him and give him peace – said,

1. “Men are already destroyed when they obey women.”
2. The Prophet - may Allah venerate him and give him peace - cursed effeminate men and masculine women.
3. The Prophet - may Allah venerate him and give him peace - cursed men who wear women’s clothing and women who wear men’s.

10.31.2 The Prophet - may Allah venerate him and give him peace – said,

1. As he passed by two graves, “The two are being punished, and not from anything excessive, one did not free himself of traces of urine, while the other was a talebearer (4.3).”
2. “Take care to remove all vestiges of urine from your persons, because it is the main reason for punishment in one’s grave.”The prayer of someone who does not protect his person and clothing from urine is not accepted.

Chapter 10.37.0: Disbelief in predestination (Qadr)

10.37.1 Allah, the Most High says,

1. “Indeed, We have created all things according to a measure.” (Koran 54.49).
2. “When it is Allah who created you and all that you do?” (Koran 37.96).
3. “None can guide those whom Allah leaves in error.” (Koran 7.186).
4. “With knowledge, Allah has led him astray.” (Koran 45.23).
5. “Yet you will not unless Allah wills...” (Koran 76.30).
6. “And inspired it with its sin and its piety” (Koran 91.8).

Chapter 10.42.0: A rebellious wife (17.10.12)

10.42.1 Allah, the Most High says,”Men are the maintainers of women for that Allah has preferred in bounty one of them over another, and for that they have spent of their wealth. Righteous women are obedient, guarding in secret that which Allah has guarded. Those whom you fear rebelliousness, admonish them and desert them in the bed and smack them (without harshness). Then, if they obey you, do not look for any way against them. Allah is High, Great.” (Koran 4.34).

10.42.2 Gratitude of a wife

The Prophet - may Allah venerate him and give him peace – said,

1. “Allah will not look at a woman who is ungrateful to her husband, for she cannot do without him.”
2. “When a husband calls his wife to his bed and she does not come and he spends the night angry with her, angels curse her throughout the night.”[Closing the door of

SOME BRIEF COMMENTS ON SHARIAH LAW

divorce and fornication]

3. "It is not permissible for a woman to fast voluntarily when her husband is at home, unless he gives her permission. Nor should she permit anyone to enter his house without his permission."

4. "Whosoever leaves her husband's house (without his permission), the angels curse her until she returns or repents." (Khalil Nahlawi says:) It is a condition for the permissibility of her going out (dis:m 10.3-4) that she take no measures to enhance her beauty, and that her figure is concealed or altered to a form unlikely to draw the attention of men or attract them, Allah, the Most High says, "Stay in your homes and do not display your finery as pagan women used to do in the olden Days of Ignorance." (Koran 33.33). (al-Durar al-mubaha (y-99), 160)

From 10.48.2: 3. "A woman was punished for a cat she imprisoned until it died. For this she was sent to Hell because she neither fed nor watered it.

10.53.2 The Prophet - may Allah venerate him and give him peace – said,

1. "Silk is worn by he who has no share in the Everlasting life."

2. "Wearing silk or gold has been made unlawful for the males among my followers but they are lawful to females."

From 10.75.3: The Prophetic quotations (Ahadith) resembles the word of Allah, the Most High, "It is not for any believer, man or woman, to have a choice in the affair when a matter is decreed by Allah and His Prophet." (Koran 33.36). (al-Arba'un al-Nawawiyya wa sharhuha (y-103), 74).

10.75.10: Benefitting at a Muslim's expense

The Prophet - may Allah venerate him and give him peace - said, "Whosoever eats food obtained at the expense of a Muslim, Allah will feed him Fire on the Day of Judgement. Whosoever gains a prestigious reputation at the expense of a Muslim, Allah will reduce him to the position of the ostentatious and boasters (10.33.2) on the Day of Judgement Day. He who wears a garment acquired at the expense of a Muslim, Allah will dress him in a garment of fire on the Day of Judgement."

10.75.23 Excessiveness in Religion

Allah, the Most High says, "People of the Book, do not exaggerate your religion...." (Koran 4.171). (Qurtubi:) This refers to the extremism of the Jews concerning Jesus in accusing Mary of fornication, and the extremism of the Christians (Nazarenes) in considering him a god. For both excessiveness and remissness are evil and unbelief (al-Jami' li ahkam al-Koran (y-117), 6.21).

ACCORDING TO ISLAM, THE NAZARENES ARE THOSE WHO ACKNOWLEDGE

SOME BRIEF COMMENTS ON SHARIAH LAW

THAT THE LORD JESUS CHRIST IS GOD MANIFEST IN THE FLESH. THE BIBLE REFERS TO THOSE WHO DO NOT BELIEVE THAT THE LORD JESUS CHRIST WAS MANIFEST IN THE FLESH AS ANTICHRIST.

From 13.1.0: It is called the obligatory charity “zakat”, because one’s wealth grows through the blessings of giving it and the prayers of those who receive it. Also, because it purifies its payer of sin and praises him by testifying to the genuineness of his faith (al-Iqna fi hall alfaz Abi Shuja (y-7), 1.183).

14.1.1 Conditions in which prayer is not obligatory

The prayer is only obligatory upon Muslims who have reached puberty, are sane, and in condition of purity, meaning, not during menstruation or postnatal bleeding.

14.1.3 Denying the obligation to pray etc.,

Any Muslim who denies the obligations of prayer, payment of the obligatory charity, fasting Ramadan, making the pilgrimage, or the unlawfulness of wine and adultery, or denies something else upon which there is scholarly consensus (ijma’, def:7.7) and which is known to any Muslim as being part of the religion, becomes an unbeliever. If a Muslim denies the obligatoriness of something for which there is no scholarly consensus he is not judged to be an unbeliever.

14.1.4 Intentional neglect of prayer:

A Muslim who holds the prayer to be obligatory but through lack of concern neglects to perform it until its proper time is over has not become an unbeliever (dis: w-18.2) rather, he is executed, washed, prayed over, and buried in the Muslim’s cemetery (as he is one of them. The authentic opinion it is that it is recommended that he be asked to repent (and if he does repent, then he is not executed)).

NOTE FROM THE AUTHOR OF THIS ARTICLE: There are 87 pages of Shariah regulations concerning prayer. There are 14 pages of Shariah regulations concerning fasting. Even a cursory reading of these regulations on prayer and fasting will show you how vain and vile they are. After having read them, you will definitely come to the conclusion that the Pharisees are the baby of babies in vain repetition when compared to the Muslims. It is very hard for Christians to understand how the Muslims can go to these ritualistic extremes unless we understand that their minds have been almost totally corrupted by the spirit of antichrist.

From 16.1.2: (e) If an Arabic Koran is being purchased for someone, it is obligatory that the person is a Muslim.

17.5.2 Wife’s right to sexual intercourse

Imam Ghazali said, that the fairest way is that one should make love to one’s wife every four nights since one may have four wives, and it is permissible to wait this

SOME BRIEF COMMENTS ON SHARIAH LAW

long before having sexual intercourse with one's wife.

17.6.7 It is unlawful for a Muslim man to marry:

1. a Zoroastrian woman;
2. an idol worshipper;
3. an apostate from Islam (murtadd, def: 9.8);
4. or a woman with one parent who is either Jewish or Christian, while the other is Zoroastrian.
5. It is unlawful for a Muslim man to be marry a woman other than a Muslim, Jew or Christian. A Muslim woman is only permitted to married a Muslim man.

17.6.10 It is unlawful for a free man to marry more than four women. It is fitter to confine oneself to just one.

17.7.4 Defects found either a bride or groom after intercourse and the dowry:

If any of the following occurs before intercourse has taken place, then the marriage is immediately annulled if:

1. one of an idolatrous couple becomes a Muslim;
2. one of a Zoroastrian couple becomes Muslim;
3. the wife of a Jew or Christian becomes a Muslim;
4. both husband and wife leave Islam;
5. or one if one of them leaves Islam.

17.7.5 When a non-Muslim man who has more than four wives becomes Muslim there is an obligation upon him to choose just four of them and the other marriages are annulled.

17.8.2 A guardian may not marry his prepubescent daughter to someone for less than the amount typically received as marriage dowry by similar brides, nor marry his prepubescent son to a female who is given more than the amount typically received.

17.10.3 Permitting one's wife to leave the house

A husband may permit his wife to leave the house for a lesson in Sacred Law, for the remembrance of Allah (Thikr), to see her female friends, or to go to any place in the town. A woman may not leave the city without her husband or a member of her unmarriageable kin (17.6.2) accompanying her, unless the journey is obligatory. It is unlawful for her to travel otherwise, and unlawful for her husband to allow her traveling.

17.10.4 A husband may forbid his wife to leave the home.

BOOK 18: Sexual Practice

SOME BRIEF COMMENTS ON SHARIAH LAW

The Definitive Islamic Guide by Ahmad Darwish as-shaykh

We hope we have guided you in the physical pleasure to get ready for the spiritual pleasure, which is the real everlasting pleasure.

From Book 18: If she is a Muslim virgin from a Muslim father, then the father's approval is needed in advance. (A Muslim virgin: this is a terminology meaning never married before even if she sinned and had sex before the father's approval)

That statement on virginity is the product of a totally corrupt reprobate mind. It does not meet the Biblical definition, or the world's secular definition, of virginity. By that definition the virgin Mary could have been guilty of fornication and still been called a virgin. We continue on with this Islamic, anti Biblical, religious charade.

Once you do embrace Islam all your sins are forgiven and exchanged by rewards and merits as long as you keep the daily prayer, you fast and pay 2.5% of your annual saving to poor people and visit Mecca on Hajj season once in life time once you are able.

It is offensive to use the vessels of non-Muslims before washing them to be certain of the purity of the vessels used, since non-Muslims are not as concerned about purity as Muslims, or to wear their clothes for the same reason.

Chapter 20.5.0: Ablution (Wudu)

Meaning to wash certain parts of the body with water, with the intention of worship. The legal basis for ablution, prior to scholarly consensus, is the Word of Allah, the Most High. "Believers, when you rise to pray wash your faces and your hands as far as the elbow, and wipe your heads and (wash) your feet to the ankle." (Koran 5.6) and the Prophetic quotation (Ahadith) related by Muslim. "A prayer is not accepted without purification."

20.8.1 Touching the Koran is Unlawful Without Ablution (5)

It is unlawful to do any of the following whilst in a state of minor ritual impurity:

1. to perform the prayer;
2. to prostrate when reciting the Koran at verses in which it is Prophetic practice to do so (def; 14.11.13);
3. to prostrate out of thanks (14.11.19);
4. to circumambulate the Kabah (21.5);
6. or to carry a Koran, even by a strap or in a box, or touch it, whether its writing, the spaces between its lines, its margins, binding, the carrying strap attached to it, or the bag or box in which it is in.

SOME BRIEF COMMENTS ON SHARIAH LAW

20.8.2 Carrying the Koran, Etc.

It is also unlawful to touch or carry any of the Koran written for the purpose of study without having ablution and this includes a single verse or part of even part of it.

Ablution is the highly ritualistic ceremonial washings that are practiced in Islam. These ritual washings make the outward vessel clean while inwardly the vessel is full of dead men's bones.

There are 50 pages in Shariah law that establish and regulate the requirements for the Hajj. We will not discuss the Hajj here other than to state that pilgrimages are required in all pagan religions. The Hajj is the once-in-a-lifetime pilgrimage to Mecca that is required of all Muslims.

Read carefully the following statement from Shariah Law:

From 21.15.2 After sacrificing, the meat is cooked in a sweet sauce, but none of its bones are broken. The meat is cut at the joints, and is recommended to distribute the meat amongst the poor.

Though the Muslims deny that the Lord Jesus Christ died on the cross for mankind's sin, this statement in Shariah Law unwittingly supports the idea of a need for a sacrifice for a sin offering. The requirement that none of the bones are to be broken undoubtedly comes from the two Passover passages in *Exodus 12:46* and *Numbers 9:12* where it is written:

⁴⁶ In one house shall it be eaten; thou shalt not carry forth ought of the flesh abroad out of the house; neither shall ye break a bone thereof. *Exodus 12:46*

¹² They shall leave none of it unto the morning, nor break any bone of it: according to all the ordinances of the passover they shall keep it. *Numbers 9:12*

The Lord Jesus Christ became our Passover when He was sacrificed on the cross for the sins of the world. Note that the Holy Ghost said in *John 19:31-37* that the fact that the legs of the Lord Jesus Christ were NOT broken was a fulfillment of Bible Prophecy (Scripture):

³¹ The Jews therefore, because it was the preparation, that the bodies should not remain upon the cross on the sabbath day, (for that sabbath day was an high day,) besought Pilate that their legs might be broken, and that they might be taken away.

³² Then came the soldiers, and brake the legs of the first, and of the other which was crucified with him. ³³ But when they came to Jesus, and saw that he was dead already, they brake not his legs: ³⁴ But one of the soldiers with a spear pierced his side, and forthwith came there out blood and water. ³⁵ And he that saw it bare record, and his record is true: and he knoweth that he saith true, that ye might believe. ³⁶ **For these things were done, that the scripture should be fulfilled, A bone of him shall not**

SOME BRIEF COMMENTS ON SHARIAH LAW

be broken. ³⁷ And again another scripture saith, They shall look on him whom they pierced. *John 19:31-37*

The conclusion is that the whole idea of a sacrifice without broken bones came into Islam out of the Bible's Old Testament. A sacrifice without broken bones is a picture of the Lord Jesus Christ.

If you have wondered who the author of sin is you have to look no further than the Calvinist's pen or the pages of Shariah Law that states:

24.1.6 His (Allah's) Will

He, the Most High wills all that exists and directs all events. Nothing occurs in the physical or spiritual world, be it meager or much, little or great, good or evil, of benefit or detriment, faith or unbelief, knowledge or ignorance, triumph or ruin, increase or decrease, obedience or sin; except through His ordinance, apportionment, wisdom, and decision.

The Muslims got it right on this one. The god of this world, who is the god of Islam, who is the Devil himself is the author of sin. The god of Calvinism is also the author of sin. That is one of the same doctrines pushed by Arthur W. Pink in his heretical book on the sovereignty of God. The apostate New International Version (NIV), the darling of the scholarly Calvinists camped out around the tree of knowledge, loves the term "sovereign". Many times the NIV even substitutes it for an Old Testament name for God. It is an overt, in-your-face case of the translators of the NIV adding to the Word of God to promote a false doctrine. The apostates and heretics that translated the NIV also loved to take away from the Word of God. Continuing on:

From 24.1.8

The Koran, Torah, Evangel (Gospel given to Jesus, not the work of Paul), and Psalms are His Books, revealed to His messengers (upon whom be peace).

Muslims believe in the Divine origin of the Bible although Muslims doubt the historical authenticity of some parts of the Old and New Testaments and do not believe them to be exact representations of what Allah originally revealed. Page 707

We deal with these two Shariah Law provisions in our chapter on "The Koran And Hadith(s) Versus The Bible".

Chapter 24.2.0 HIS MESSENGER

24.2.1 Allah, the Most High sent Muhammad - may Allah venerate him and give him peace, the Korayshite, unlettered prophet, to deliver His message to the entire world, Arabs and non-Arabs, jinn and mankind, superseding and abrogating all previous religious systems with the Prophet's Sacred Law, except for the provisions of them that the new revelation explicitly reconfirmed.

SOME BRIEF COMMENTS ON SHARIAH LAW

The above statement is based upon the same Satanic premise that Joseph Smith used to formulate the false doctrine of Mormonism where he stated that Mormonism recovered the ancient doctrines of the New Testament apostles and prophets and the Old Testament patriarchs and prophets. Satan always has a counterfeit religious system that is supposed to be better than that commanded by the Bible. There is nothing new under the sun.

The following two paragraphs establish the false doctrine of purgatory as a part of Shariah Law:

24.2.7 Believers shall depart from Hell

It is obligatory to hold that believers in the Oneness of Allah who believed in the prophet of their era (dis: w-4.4)) will be taken out of Hell after having paid for their sins, through the generosity of Allah, the Mighty and Majestic. No one who is a true monotheist will abide in the Fire forever.

24.2.8 The intercession of the prophets and the righteous

It is obligatory to believe in the intercession of first the prophets, then religious scholars, then martyrs, then other believers, the intercession of each one commensurate with his rank and position with Allah, the Most High. Any believer remaining in Hell without intercessor shall be taken out of it by the Favor of Allah. No believer will remain in the Fire forever, and anyone with an atom's weight of faith in his heart will eventually depart from it.

We have thoroughly refuted the doctrine of purgatory in our discussion of hell in our document "The Koran And Hadith(s) Versus The Bible".

The following statement from Shariah Law is IDENTICAL with that stated from the apostate pulpits of unbelieving American churches and from the mouths of pagan American political leaders.

There is absolutely no difference between Allah and the God of Abraham, Moses and Jesus. Page 706

That vile statement has even come slithering forth from apostate Baptist pulpits who join hands with the Roman Catholic whore when she states:

841 The Church's relationship with the Muslims. "The plan of salvation also includes those who acknowledge the Creator, in the first place amongst whom are the Muslims; these profess to hold the faith of Abraham, and together with us they adore the one, merciful God, mankind's judge on the last day."

Acknowledging the creator without repentance toward God and faith towards the Lord Jesus Christ sends you straight to hell.

SOME BRIEF COMMENTS ON SHARIAH LAW

The following statement is from page 709 of Shariah Law:

Both Judaism and Christianity preach that the fall of Adam from the Garden of Eden was the fault of Eve and as such women are to blame. This is not the teaching of Islam, the Koran directs all the responsibility to Adam himself, while adding that Allah turned to Adam in mercy and forgave him his sin. Therefore, Adam's sin stops with Adam himself, and Allah does not hold mankind responsible for the sin of Adam and rejects the concept of original sin. Page 709

This denial of the Christian doctrine of original sin is a direct contradiction of *Romans 5:12* which declares:

¹²Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned: *Romans 5:12*

The following statement from Shariah Law proves that Islam is antichrist to its Satanic core:

Islam rejects the notion that Jesus, peace be upon him, was the son of God. Rather it honors and respects him as one of the great messengers and prophets of Allah to the children of Israel. Islam rejects the Pauline concept of trinity and considers it a contradiction of pure monotheism. It also rejects the argument of some Christians (Nazarenes) that God made Himself incarnate in Jesus, peace be upon him, so that God could be known by men, and also rejects the argument that Jesus, peace be upon him, died on the cross for mankind's sins. Page 707

For all the deceived political and apostate religious leaders in American that say that the god of Islam is the same as the God of the Bible, you need to read that statement and weep. If you can read that statement and still state that the god of Islam is the same as the God, then you have been sent strong delusion and have believed the biggest lie in history. In our humble opinion, you are in danger of hell fire because you obviously do not believe the Bible. The Bible is not a candy store that you can pick and choose from. Islam is an enemy of the cross. That statement from page 707 of Shariah Law denies that the Lord Jesus Christ is the Son of God, it denies the deity of the Lord Jesus Christ, it denies the Biblical trinity, it denies that God was incarnated in flesh, and finally it denies that the Lord Jesus Christ died on the cross for mankind's sins. In short, that statement is an in-your-face denial of the Gospel. That statement from page 707 of Shariah Law proves that Islam is the antithesis of Bible believing Christianity and that Islam is accursed. However, you have nothing to fear from me because I am neither judge or executioner since that is a role that God has reserved for Himself. I am not commanded to take up the physical sword as an evangelistic tool or as a means to force someone to remain true to a false religious system. If all Muslims were forced to throw down their physical weapons of warfare today, their false religion would be dead in a short period of time. Islam is a religion whose god is a god of death and whose false prophet is still in the grave. We Christians serve a crucified and risen Saviour who died for our sins to give us eternal life. We close with the

SOME BRIEF COMMENTS ON SHARIAH LAW

following quote from *2 Corinthians 10:3-4*:

³ For though we walk in the flesh, we do not war after the flesh: ⁴ (For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;) *2 Corinthians 10:3-4*
